What your firm does now and its plans for the future? We counsel our clients about environmental and land use compliance, translate regulatory requirements, and negotiate with agencies on our clients' behalf. As regulatory changes are made (e.g lowering standards for certain contaminants, revisions to wetlands and waterways, asbestos, Title 5, LEED requirements etc.), we will ensure that our clients are knowledgeable about them and adjust their projects accordingly.

Hobbies: kayaking, snorkeling, theatre

Favorite novel: A Civil Action

Favorite film: My Cousin Vinny

Keys to success: mentors, perseverance, hard work, value adding for clients

Person you most admire (outside of family): Margaret Marshall, former Chief Justice of the Massachusetts Supreme Judicial Court
