## ASM's 2008 Biennial meeting - Nov. 13

Plan to join us on Nov. 13 as we celebrate ASM's past and future with a gala dinner at the John F. Kennedy Presidential Library and Museum. It will be an elegant and memorable evening in which you can view the exhibits, enjoy a gourmet dinner, meet ASM's new President and Board, and hear prominent media personality, Mike Barnicle.

Watch for more details soon!
