Secinaro of Jewett Const. earns LEED Accredited Prof'l.

Rob Secinaro, a project manager for Jewett Construction Co., Inc. was recently certified by the U.S. Green Building Council as a Leadership in Energy and Environmental Design Accredited Professional (LEED AP). Secinaro is the second of Jewett's personnel to achieve the LEED AP certification, the first being James Overbey.

This prestigious certification was obtained to help position Jewett Construction to achieve one of its goals of promoting design and construction of eco-friendly buildings and sites.
