Integrated Builders retained for 14,500 s/f Chelmsford project

Integrated Builders has been selected by Developers Diversified Realty Corp. for a 14,500 s/f interior office fit-up project at 300 Apollo Dr. Prior to this project, Integrated Builders completed a two-phase, 133,500 s/f interior construction project at 300 Apollo Dr. for the corporate headquarters of Aspect Software, a leading provider of customer service, collections, sales and telemarketing solutions for contact centers.

The project consists of a 13,000 s/f interior office fit-up for the Massachusetts offices of HNTB, an architecture and engineering consulting firm, and about 1,500 s/f of common corridor space in the building.

The building is owned by Developers Diversified Realty.
