Diversified Project Management promotes Clark and Driesch

June 19, 2014 - Construction Design & Engineering

Diversified Project Management (DPM) has promoted Michelle Clark and Julia Driesch.

Clark has been promoted to the role of senior project manager. With DPM since 2003, Clark has worked on a variety of construction and relocation assignments, successfully delivering in excess of 1 million s/f of projects. During her tenure at Diversified, Clark has grown to specialize in the planning & execution of large-scale tenant improvement projects in the biotech, academic and industrial business sectors. Her vast portfolio includes clients such as Vertex Pharmaceuticals, Shire Pharmaceuticals, Cabot Corp., MIT and Harvard Business School.

Driesch has been promoted to the role of project manager. Since joining Diversified's Newton office in 2011, she has been an integral member of the DPM teams, managing extensive relocation projects in the biotech and academic sectors. Driesch's assignments have included Vertex Pharmaceuticals, Shire Pharmaceuticals and New England Institute of Technology. Driesch is a certified Facilities Management Professional (FMP) through IFMA and a LEED Green Associate.

Diversified Project Management, located in Newton, Mass., Hartford and Stamford, Conn. and Providence, R.I., is an independent owner's representative consulting company that specializes in strategic advisory, programming, pre-construction, project management, construction administration, FF&E coordination and move-planning services for corporate, academic, healthcare, manufacturing and biotech clients' construction, renovation and relocation projects.
