Totaling 49,561 s/f, Cohasset Village Plaza is highlighted by co-tenants CVS, Curtis Liquors and Starbucks. The property serves as a crucial market coverage location for CVS as its next-closest stores are each more than 10 minutes away.

“Situated within Boston’s exclusive South Shore, Cohasset is an extremely difficult market within which to pursue new commercial developments,” said Smith. “This high barrier-to-entry location, combined with Cohasset Village Plaza’s strong tenant roster, generated a competitive process for the asset with a number of interested bidders.”

Cohasset Village Plaza is situated along Rte. 3A, a key retail corridor and the primary north-south thoroughfare serving the communities along the south coast of Boston.
