Gray of TFMoran passes professional engineer exam

July 06, 2018 - Northern New England

Andrew Gray, TFMoran, Inc.

Portsmouth, NH Andrew Gray, PE, passed the professional engineer exam and is now a licensed civil engineer. Gray serves as a project engineer for the Portsmouth division of TFMoran, Inc. He is a certified professional in sediment and erosion control (CPESC) and has a bachelor of science degree in Civil Engineering from the University of Alaska Anchorage.

In addition to septic system design, his over ten years of experience includes civil project management, permitting, construction inspection and oversight, and geotechnical investigations. Prior to TFMoran, Gray was the SWPPP lead inspector for the \$14 million Portage Cover Harbor Expansion in Haines Borough, Alaska.
