Pombriant joins Landry/French Construction Company

September 07, 2018 - Northern New England

Kevin Pombriant, Landry/French
Construction Company

Scarborough, ME According to Landry/French Construction Company, one of Maine's leading commercial contractors, Kevin Pombriant joined the firm as chief estimator.

In this new role, Pombriant will provide overall management and leadership of the company's planning and cost estimating department, ensuring clients receive the best value for their projects.

Pombriant is a 20-year industry veteran with preconstruction and estimating experience on a broad range of construction projects. Having worked with Trinity Building and Construction Management, Tocci Building Corp., and Shawmut Design and Construction, he brings a national perspective on best practices, industry standards, innovation and technologies.
