Wallingford, CT Inc. magazine revealed that The ONE SOURCE Cos. is No. 824 on its 37th annual Inc. 5000, one of the most prestigious rankings of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses.

Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“It's truly an honor to be recognized on the Inc. 5000 list of the nation's fastest growing private companies,” said ONE SOURCE founder and president Nicholas Lombardi. “As a startup, it validates our service model and is an extraordinary milestone as we continue to evolve and grow.”

Not only have the companies on the 2018 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists. The 2018 Inc. 5000 achieved an astounding three-year average growth of 538.2 percent, and a median rate of 171.8 percent. The Inc. 5000's aggregate revenue was \$206.1 billion in 2017, accounting for 664,095 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).

“If your company is on the Inc. 5000, it's unparalleled recognition of your years of hard work and sacrifice,” says Inc. editor in chief James Ledbetter. “The lines of business may come and go, or come and stay. What doesn't change is the way entrepreneurs create and accelerate the forces that shape our lives.”

The annual Inc. 5000 event honoring the companies on the list will be held October 17 to 19, at the JW Marriott San Antonio Hill Country Resort, in San Antonio, Texas. As always, speakers include some of the greatest innovators and business leaders of our generation.
