Jewett Construction hires Duhaime as project manager

August 16, 2019 - Front Section

Steve Duhaime

Scarborough, ME Jewett Construction has added Steve Duhaime to their project management team. Duhaime has been hired as a project manager to ensure that each project is exceptional and results in the highest level of client satisfaction. With Duhaime's 10 years of experience on a project management team, Jewett is thrilled to have added not only a knowledgeable asset, but one who carries a great level of organizational leadership capability.

Duhaime has managed large-scale construction projects throughout New York, Massachusetts and Maine. When asked about his favorite part of working at Jewett, Duhaime said, "The people. Jewett has a team of top-performing professionals, and with two offices comes the opportunity to collaborate with a wide array of different backgrounds and industry expertise."

Outside of work, Duhaime is a small-batch hobby brewer and also loves walking around the Portland area in support of the local brewery scene. He enjoys putting his brewing skills to the test by experimenting with different styles and approaches to the craft. Aside from brewing he can be found spending days with his loved ones and driving Coastal Rte. 1 through Maine during the summer and fall months.
