Dover, NH White Birch Armory held a ceremonial groundbreaking celebration at the site of the new White Birch Armory Shooting Range and Retail Showroom to be completed by North Branch Construction. The new construction project located at 74 Industrial Park Rd. includes 13,600 s/f dedicated to a shooting range with 16 firing lanes and warehouse space of insulated concrete form and structural steel, with an 8,144 s/f retail showroom of light gauge metal frame construction. Scheduled to open in the summer of 2020, the facility will also include classrooms, a member lounge & administrative offices.

White Birch Armory, a distributor of ammunition, firearms, and related accessories, was founded in 2014 by Sean Manning, a Purple Heart recipient who served with the U.S. Marine Corps with multiple deployments to Iraq as a reconnaissance Marine and scout sniper. Manning has firearms industry experience as both an engineering technician and a testing and evaluation manager. In

addition, Manning is a master firearms instructor and precision scoped rifle competitor.

TW Designs, LLC is the engineering and architectural design firm on the project.
