## **Anthi Frangiadis 2009**

October 20, 2009 - Green Buildings

Name: Anthi Frangiadis, AIA, AICD

Title: Principle

Company: Archit 8

Location: Onset, Mass.

Place of Birth: Greece

College: Rhode Island School of Design

First Job Unrelated to your current field: Bus person at Hotel Hershey.

First job in current field: Gilbert Architects

What your firm does now and its plans for the future?: We are architects and planners with a passion for creating sustainable long term investments in the physical built environment; for developing solutions that benefit multiple entities; for forging long standing relationships with our clients. We focus on delivering high quality service to our clients by applying our creative and technical problem solving skills with our ability to listen, see and strategize.

What is the biggest green change you would like to see happen in your industry over the next 10 years: Would like to see Job Site Construction move towards 100% recycling for job site debris

Keys to Success: Hard work, determination and never giving up on your dreams

Person(s) You Most Admire (outside of family): Santiago Calatrava - architect engineer

If you had to choose a different profession, what would it be?: I do not think I would ever choose a different career path.
