ASM's a Night in Napa wine tasting and auction

November 17, 2009 - Construction Design & Engineering

It was a beautiful evening on Friday, Sept. 25 as 200 ASM members and guests gathered for a Night in Napa - ASM's first-ever Wine Tasting & Silent Auction, held at the Venezia waterfront restaurant in Boston.

The wine was superb, the food delicious, the pianist sensational - and the bidding on nearly 40 silent auction items was brisk, as a pair of front row Boston Celtics tickets went for over \$2,000! Best of all was the opportunity to relax and socialize with fellow members and guests. We extend special thanks to our sponsors, silent auction donors, and event planning committee, for helping to make the evening such a success.
