Meet the Mass. ABC member

November 17, 2009 - Construction Design & Engineering

Tiffany Gallo, LEED AP of Cutler Associates, Inc. is an experienced estimator, she instills confidence in clients by providing them with the early, accurate budget information that they need to make informed, quality decisions during the early stages of projects. She has a proven ability to conceptualize details and maximize the value of each project. Gallo will work closely with the owner, architect, and construction team throughout the preconstruction phase of your project to prepare detailed estimates beginning with conceptual planning and continuing through to construction documents and the finalization of the GMP.

She is a graduate of the Wentworth Institute of Technology where she received a Bachelor of Architecture Engineering Technology. Some of the projects in her portfolio include a residence hall at Endicott College and a medical office facility for the Worcester Health Center.
