Pinncon to begin construction on \$1.4m 6,000 s/f retail strip

November 19, 2007 - Front Section

Pinncon will begin construction next month on a 6,000 s/f retail strip building on Faunce Corner Mall Road. The \$1.4 million project for the Faunce Corner Realty Trust includes site work and ground-up construction, and it is expected to be completed next May.

The site is near an 8,000 s/f retail strip building that Pinncon completed in August for Faunce Corner Realty Trust. The \$1.3 million project also included site work and ground-up construction.

Pinncon offers a broad range of professional design, development and construction services.
