Charter membership for RCA-MA available through December 31st

December 16, 2009 - Front Section

The RCA-MA board of directors would like to remind you that the offer to become an RCA-MA charter member at the reduced cost of just \$100 will expire on December 31st! This special offer is available only to Realtors members during 2009, and there's still time to join! This limited-time opportunity represents an exciting chance for you to "step up" as a key player in the Mass. commercial real estate industry and gain recognition for your vital support of our newly expanded organization.

The first charter memberships were offered in 2001 when the ground work for RCA-MA was being done. They have recently decided to reopen the charter membership category in 2009 to help with their expansion efforts. Charter members are individuals who are committed to supporting RCA-MA's mission to provide education, information, a listing information exchange, and networking functions for commercial real estate practitioners throughout Mass.
