Star Market opens 58,000 s/f store at Chestnut Hill Shop. Ctr.

December 22, 2009 - Retail

Star Market has opened a new flagship store at WS Development's Chestnut Hill Shopping Center. The new, two-level 58,000 s/f store offers a wide range of products and services including expanded produce and floral departments, a customer dining area, and a section featuring made-to-order pasta dishes, sandwiches, salads, and more.

The new store uses energy-efficient technology including a hydrogen fuel cell that provides 90% of store's electricity, plus all of its domestic hot water, heat and air conditioning. For its efforts in reducing ozone-depleting refrigerants and greenhouse gas emissions, the Environmental Protection Agency issued Star Market its "Green Chill" award.

The Chestnut Hill Shopping Center is located on Rte. 9 adjacent to The Mall at Chestnut Hill and about a quarter mile from the Atrium Mall.
