Shaker to head UGL Unicco Energy Services

January 20, 2010 - Green Buildings

UGL Unicco, a subsidiary of UGL Limited, has started a new energy services practice that consolidates and enhances its previous portfolio of energy management offerings. Headed by newly appointed vice president, Energy Services Tony Shaker, UGL Unicco Energy Services helps customers manage energy supply and usage, as well as develop and implement long-term strategies to reduce consumption and costs while improving sustainability.

UGL Unicco Energy Services focuses on the following aspects of energy lifecycle management: supply, awareness, analysis/certification and operational. *
