Kanteres of JSA Inc. earns ARE designation

February 02, 2010 - Northern New England

Ryan Kanteres of JSA Inc. has passed the professional Architectural Registration Examinations. Each candidate must have earned a professional degree in architecture, completed an internship, and obtain a passing score in all 7 divisions of ARE, which include: building design & construction systems, building systems, construction documents & services, programming planning & practice, schematic design, site planning & design, and structural systems.

The examination, prepared by the National Council of Architectural Registration Board, licenses architects.
