Acella Const. chosen for Hostelling Int'l. project

February 17, 2010 - Construction Design & Engineering

Acella Construction Corp. has been selected to build and renovate a new 40-bed hostel for Hostelling International. The project will be located on Ocean St., just north of the Hy-Line Cruise docks, and directly across from the Hyannis Harbor.

The 4-building complex will be managed on a very aggressive schedule, with a grand opening scheduled for the first week of July.

Construction is scheduled to begin immediately. The project was designed by Robert Evans of A+E Architects-Builders, located in Brewster.
