AI Engineers promotes Weitzman to COO

February 17, 2010 - Connecticut

AI Engineers, Inc. has promoted Arnold Weitzman to the position of chief operating officer. Weitzman has over 30 years of engineering experience in design and administration of major engineering projects and programs for both public and private clients throughout the U.S. He has managed transportation improvement programs for highways, bridges, airports and railways, as well as numerous facility/building assignments.
