Decade Q&A - John Cregan

February 24, 2010 - Spotlights

John Cregan is a partner with Paramount Properties Group, Providence

What is your most memorable career experience from the past decade (2000-2009)?

In general, working with and assisting a variety of landlords and tenants/buyers in meeting their real estate objectives.

What major event(s) do you predict for the commercial real estate industry this decade (2010-2019)?

Hopefully the commercial market will steady itself over the next 18 months and then lease/sale prices will increase back to where they were in 2007.
