The BSA's annual Residential Design and Construction convention and tradeshow is April 14 and 15 at the Seaport World Trade Center

March 17, 2010 - Construction Design & Engineering

Earn continuing-education and AIA/CES Learning Units, get up to speed on the latest innovations, enrich your design and technical skills, and network with your peers and others in the building industry.

Keeping both the trade and consumers in mind, homeowners and other clients are invited to view the Residential Design and Construction exhibits for free during special hours.
