Birthplace: Hartford, Conn.

Birth Date: 1960

Family: Married, two sons

College: Syracuse University, School of Architecture

First job outside of real estate: Architect

First job in real estate or allied field: Konover Construction Corp., project manager

What do you do now and what are you planning for the future: I am currently managing our team of professional associates who specialize in land acquisition, project management, engineering, design and construction, to develop commercial real estate projects with a specific focus on outparcels, retail shopping centers and mixed-use projects. We are currently under contract for two 18-acre parcels north of Richmond, VA.

Hobbies: Tennis, travel and reading

Favorite book: "1776" by David McCollough

Favorite movie: "The Gods Must Be Crazy"

Person you most emulate (outside of family): Benjamin Franklin

Keys to success: Be passionate about what you want to accomplish, challenge yourself, learn to accept risk, network and choose mentors to help you achieve your goals.

If you had to choose a different profession, what would it be? A surgeon
