What your firm does now and its plans for the future? North Branch Construction is a 52 year old company. As a leader in "green construction", North Branch not only builds green, sustainable buildings for our clients, we designed and built our own Award Winning, Silver Level LEED Certified Corporate Headquarters in Concord, NH in 2008. We operate throughout NH and northern Massachusetts and employ six office based project managers and ten field based superintendents, with full project management capabilities. We have three LEED APs on staff.

Hobbies: Scuba diving and wine collecting

Favorite novel: "Red Storm Rising" by Tom Clancy

Favorite film: Star Wars Trilogy

Keys to success: Drive and perseverance

Person(s) you most admire: Ronald Regan

If you had to choose a different profession, what would it be? Fighter pilot
