## **Vidal/Wettenstein brokers 2,500 s/f lease to Starboard Capital**

March 31, 2010 - Connecticut

Starboard Capital Partners is relocating its headquarters to 30 Jelliff Lane.

Jelliff Lane's close proximity to I-95 and the Southport train station together with its long recognized reputation as a premier building were the driving factors in Starboard's decision in selecting this location for its new 2,500 s/f home. Starboard Capital Partners is a financial and strategic sponsor that partners with management and private equity investors primarily in the acquisition of companies with initial enterprise values of \$25 million to \$250 million.

Randy Vidal, SIOR of Vidal/ Wettenstein LLC, represented Starboard Capital Partners and David Mack represented the owner.
