BAGB installs DelPico as 2010 president

April 13, 2010 - Construction Design & Engineering

The Builders Association of Greater Boston (BAGB) has installed the 2010 board of directors. The annual installation dinner and ceremony was held at the Seaport Hotel.

Judy Jenkins, president of Home Builders Association of Massachusetts (HBAM), had the honor of swearing in the new executive committee officers and board of directors. The new board is charged with directing the strategic direction of Massachusetts' largest residential building and remodeling trade organization.

Wayne DePico, the newly installed 2010 president, said, "I am pleased to have such a strong and experienced slate of officers and board members at BAGB in 2010. I look forward to working with them to promote homebuilding in greater Boston in an important year for our industry. Focusing on getting back to basics will be essential not only for our businesses, but for the Association as a whole in the year ahead."

The Builders Association of Greater Boston (BAGB), a trade Association affiliated with the National Association of Home Builders (NAHB) and The Home Builders Association of Massachusetts (HBAM), was established in 1944 and has evolved into one of the leading trade associations in New England. The membership consists of all sized businesses that relate to the building industry, ranging from home builders to any company that sells products and services to builders.
