NH CIBOR approves formation of Community Service Committee

December 07, 2007 - Northern New England

The board of directors of the New Hampshire Commercial Investment Board of Realtors has formally approved the formation of a new standing committee within NHCIBOR: The Community Service Committee.

The mission of the committee is to encourage community and civic involvement from our members and affiliates, to support individuals and organizations in need, and to promote NHCIBOR and its community service endeavors to the public.

To be chaired by Judy Niles Simmons of NAI The Norwood Group, the committee is soliciting volunteers for membership volunteers. Committee members will play a significant role in determining and executing a business plan for such matters as fundraising activities, an application process criteria, and a review/recommendation process for funding.
