ASM's 15th anniversary golf outing - July 26 at Pinehills Golf Club

May 19, 2010 - Construction Design & Engineering

Plymouth, MA - This year marks the 15th anniversary of ASM's annual golf outing, and to celebrate we are going to a great new location - the award-winning Pinehills Golf Club, offering the ultimate golfing experience. It has two side by side courses, by Nicklaus and Jones, that will allow everyone to play at once and dine together at the end of the day.

The club offers a host of golfer amenities, and, new this year, we'll also have activities for non-golfers as well - whether members, spouses or guests. We know times are tough and money is tight, but this event will be good therapy, and it's a good cause too, supporting the scholarship program. Besides, it's good business. What better way to take care of your customers than by treating them to a day on the greens!

The event is always a sell-out, so reserve your spot now. Sponsorship opportunities are also available, providing great exposure. Visit the ASM website for complete details.
