Northeast Buildings & Facilities Mgmt. Show & Conference - June 9 & 10

May 19, 2010 - Construction Design & Engineering

ProExpos Group is producing the 5th annual Northeast Buildings & Facilities Management Show & Conference on June 9 and 10 at the Boston Convention & Exhibition Center, Hall B-2. This event will feature over 300 exhibitors displaying products and services necessary for the operation, management, maintenance and renovation of buildings and facilities in the greater New England region. Running concurrently with the trade show is an educational conference featuring 28 individual one-hour talks covering a wide range of topics including: LEED, Green, Sustainability, Energy, Building Commissioning, Facility Maintenance, Construction and Renovation Planning. IFMA - Boston produces, monitors and provides CEU credit for each conference talk attended.

The NEXUS project of The Green Roundtable will conduct a one-day training seminar titled: LEED Green Associate Exam Prep. This seminar will help professionals pass the LEED Green Associate exam as well as increase knowledge of green building practices. 8.0 AIA / CES Sustainable Design LU are offered for attending this training.

The show and conference are supported by these associations and publications including:
