Nuss named to board of directors of Campus of Caring/Norwell VNA and Hospice

May 19, 2010 - Front Section

Jay Nuss has recently been named to the board of directors of the Campus of Caring, an organization dedicated

to building a non-profit hospice home on the south shore operated by the Norwell VNA and Hospice.

Nuss is a principal of Paramount Partners, LLC and a real estate broker with over 25 years of experience in real estate brokerage business.

He specializes in office and industrial properties.

Nuss earned his B.S. from Northeastern University, and is a graduate of the Realtors Institute. He has been a Certified Real Estate Brokerage Manager, and has completed various commercial real estate courses and seminars at MIT, Harvard University, Boston University and Northeastern University.

Nuss is actively involved with The Braintree Business Council, the Braintree Economic Development Commission, and the Braintree Board of Trade. He is past president of the Braintree Rotary Club where he is distinguished as a Paul Harris Fellow, and a member of the Knights of Columbus.

Nuss most recently has served as the Board of Director's Vice-Chairperson of Work, Inc., in addition to serving as a real estate advisor to various non-profit agencies in the Southeastern Massachusetts area. He is active within the Northeastern University Graduate Honor Society, and also serves as a volunteer resource for alternative treatment options for many cancer patients in the area. Married with two children, Nuss has been extremely involved in various youth community service projects and sports programs.

"Jay has served as a key member of our advisory board for a number of years and we have come to rely on his extensive expertise," said Campus of Caring Board Member Ralph E. Tedeschi. "Jay brings a wealth of real estate knowledge and great experience in both the business and non-profit arena to our board."

About Campus of Caring

Campus of Caring was incorporated in 2005 as a non-profit organization dedicated to building a home on the South Shore to be operated by the Norwell VNA and Hospice. Hospice is specialized care for people with life-limiting illnesses. It is care that provides comfort and quality of

life, when curative care is no longer an option. A hospice team of professionals provides expert pain and symptom management, physical, emotional, and spiritual support for patients and support for their loved ones while in the hospice home. All donations are tax-deductible. The home's development will be supported by donations; hospice care is reimbursed by Medicare, Medicaid and private insurers.
