New Haven Hotel interior renovations nearly complete

June 17, 2010 - Connecticut

Top-to-bottom interior renovations are nearly complete at the New Haven Hotel which is managed by the Newport Hotel Group of Middletown, R.I. The independent luxury hotel is located at 229 George St. in the heart of downtown New Haven and is located near Yale University, The Yale New Haven Hospital, and the Yale Medical Center. Pro Con Inc. is the architect and construction manager for the design-build hotel renovation project.

The 7-story hotel features 118 guest rooms, a full service restaurant, fitness center, business center, guest laundry and flexible meeting space to accommodate up to 100 guests. As part of the renovation, the guest rooms, corridors and public spaces are being refreshed with new interior finishes, fixtures, and furniture.

Upon completion, the 2,500 s/f lobby with its 18 ft. ceilings will feature custom porcelain tile flooring, imported wool carpets, and personalized individual seating groups with LCD televisions.

Pro Con Inc.'s phased design-build schedule has enabled the hotel to remain fully operational during construction. The renovation began in late fall 2009 and will be complete in July 2010.

Newport Hotel Group manages a collection of upscale hotels and resorts throughout New England including the Inn on the Square in Falmouth, Mass., the Hyannis Harbor Hotel in Hyannis, Mass., the North Conway Grand Hotel in North Conway, N.H. and the Newport Beach Hotel and Suites in Newport, R.I.

This is one of several design-build hotel renovation projects Pro Con Inc. is currently managing including the \$1.5 million renovation of the Sudbury Inn and Suites in Sudbury, Mass. and the Ashworth by the Sea hotel's \$1 million renovation in Hampton Beach, N.H.
