Giunta, Spencer and Kerrigan of Grubb & Ellis named top professionals

June 30, 2010 - Front Section

According to Grubb & Ellis Co., Philip Giunta, Bradford Spencer and Jack Kerrigan of its Boston office were recently recognized as the company's top brokerage professionals for 2009 at Grubb & Ellis' annual Circle of Excellence event.

"Grubb & Ellis' goal is to be the best. That means recruiting and retaining the industry's top talent, who succeed by consistently providing the highest level of service to clients," said Jack Van Berkel, chief operating officer and president, Real Estate Services. "Each of the individuals honored at Circle of Excellence continue to set the example for how professionals who value teamwork, possess deep market knowledge and develop innovative real estate strategies can result in the best possible service for our clients. We're proud to recognize them for their accomplishments."

A 20-year veteran of the industry, Giunta, executive vice president, joined Grubb & Ellis in 2007 and has ranked in the company's top 20 brokers nationally in the three years since. A leading leasing and investment sales professional in the Boston region, Giunta's 2009 accomplishments include the representation Tufts Medical Center, Parsons Brinckerhoff and Abt Associates, among other national clients, in various transactions across the country.

Bradford Spencer, senior vice president, has qualified for the Circle of Excellence for four of his 11 years with Grubb & Ellis. Recognized as one of the leading brokerage professionals serving the technology, life sciences and industrial services industries, Spencer recently facilitated Acme Packet's long-term corporate headquarters lease totaling 125,000 square feet in Bedford. During his 22-year career, he has been directly responsible for the sale, lease and build-to-suit of more than 15 million square feet of industrial, R&D and office space.

Since joining the company in 1981, Kerrigan, executive vice president, has consistently ranked among the top brokers companywide, providing tenant and landlord representation services for clients including New Balance, Emerson Hospital, athenahealth, Cubist Pharmaceuticals, The Gutierrez Company, Berkley Investments and Normandy Real Estate Partners. In addition to his brokerage activities, Kerrigan is a member of the board of directors of the Juvenile Diabetes Research Foundation, and in 2009, he was appointed chairperson of the organization's Corporate Council responsible for corporate fundraising.

To qualify for Circle of Excellence, brokers must fulfill the highest production standards set by the company, which typically results in honoring the top 5 to 8 percent of all company professionals.
