Jewett Const. completes building for JTA Corp.

July 07, 2010 - Front Section

Jewett Construction completed the construction of a new building for JTA Corp. Jewett built this 20,625 s/f pre-engineered metal building and associated site work within a six-month schedule.

The exterior of the building was designed to blend in with the natural surroundings, but the interior was built to house JTA's corrugated container manufacturing and utilizes floor-to-ceiling shelving units in the rear of the building.
