September 09, 2010 - Spotlights

Tatara Systems, a company building products for the mobile convergence market, has renewed its lease of 11,526 s/f at 35 Nagog Park. The deal represents a renewal of the existing space which will undergo some significant improvements, particularly to the existing lab. After a thorough search, the company found the location and its existing lab infrastructure to be superior to alternative properties. 35 Nagog Park, owned by ND/Winrock Acton, LLC, is a 3 story, 95,000 s/f class A office building located in the 500,000 s/f Nagog Office Park. The building was constructed in 1988 and is one of the premier buildings within the park.

Kevin Malloy, senior vice president, and Tim Latham, vice president of Lincoln Property Company represented Tatara Systems. The landlord was represented by Brian McKenzie, Jamey Lipscomb and Rob Byrne of Richards, Barry, Joyce & Partners.
