Jewett Metal Buildings, a division of Jewett Construction, hires Kennedy as field superintendent

September 15, 2010 - Front Section

Jewett Metal Buildings hires Phil Kennedy to the position of field superintendent.

Kennedy has nearly 20 years of experience in the construction industry, having worked as an equipment operator, welder, and metal building installer. He holds OSHA 10-hour and American Welding Society certifications.

Jewett Metal Buildings is a division of Jewett Construction Co., Inc., providing professional pre-engineered metal building sales and installation to clients throughout New England.
