Stockless joins Dewberry

September 15, 2010 - Construction Design & Engineering

David Stockless, AIA, LEED AP has joined Dewberry. With nearly 20 years of experience, he will assist in the management of the office's architectural building services projects.

Stockless will spearhead an initiative to expand Dewberry's full-service A/E department into multi-family housing, retail and commercial markets.

He brings significant experience in the management of projects from conception through construction supervision, including successful work on a fast-track schedule. He has designed over 1,600 units of housing, as well as numerous restaurants, R&D, and hospitality facilities.
