Roll the Dice with ASM at Oct. 29 "Casino Night"

September 15, 2010 - Construction Design & Engineering

Last year, ASM's vibrant program committee hosted our first-ever wine tasting and silent auction, which was wildly successful. Always eager to try something new, the committee this year has decided on a Las Vegas-style casino night as our major fundraiser of the fall, supporting ASM's educational and legislative mission.

The event will be held at the Newton Marriott on Friday, Oct. 29, and will feature a variety of casino games, professional and entertaining dealers, live DJ, world-class magician, and fine food and spirits - all promising great fun for a good cause. The event is open to all, so mark the date and plan to be part of the action! Visit the ASM website for complete details.
