GRT/NEXUS to join Enterprise Green Communities TAP Network

September 23, 2010 - Green Buildings

The Green Roundtable/NEXUS has been selected to join the Enterprise Green Communities Technical Assistance Provider Network based on their professional services qualifications.

Enterprise selected individuals and organizations with demonstrated expertise in the design, construction, rehabilitation, and operations of green affordable housing. GRT/NEXUS consulting areas include: integrated design, green design review, energy services, construction/post-construction review & testing, healthy living environment. Learn more about Enterprise Green Communities at greencommunitiesonline.com and about NEXUS' Consulting Services at nexusboston.org/consulting.
