What your firm does now and its plans for the future?: Eckman Construction is known for quality commercial construction throughout New Hampshire, Maine, Vermont, and Massachusetts. We have built and renovated medical buildings, schools, government facilities, churches, commercial buildings, multi-family housing, and educational buildings. Moving into the future, Eckman will continue to provide the highest quality project outcomes by embracing industry best practices and maintaining our unrelenting focus on completing every project on time and under budget. We hope to continue to grow our business by exceeding client expectations.
