J. Calnan & Associates, Inc. awarded Biogen project at Weston Corporate Center

October 14, 2010 - Construction Design & Engineering

J. Calnan & Associates, Inc. has been awarded its second project for Biogen IDEC.

Working collaboratively with Boston Properties, Vanderweil Engineers, Nelson and Office Environments, J. Calnan is underway with the preconstruction phase of the challenging 100,000 s/f interior fit-out at Weston Corporate Center. The project will include private executive offices with high-end finishes, open office areas and workstations as well as telepresence and conference rooms.

This marks the second project with Biogen IDEC this year.

The project is scheduled for completion in January.
