ARC hired for 70,000 s/f Boston College renovation

October 14, 2010 - Construction Design & Engineering

ARC/Architectural Resources Cambridge has been awarded a new project by Boston College to provide design services for interior renovations of 2121 Commonwealth Ave. on the University's Brighton Campus. The 70,000 s/f combined space will consist of administrative office and support space.

ARC president Philip Laird, AIA, LEED AP, will head the ARC design team for the project. ARC has worked with BC on a number of projects since 1992 including 72,000 s/f Yawkey Athletic Center, the 272,500 s/f Division 1A Alumni Stadium and the Commonwealth Ave. garage.
