Meridian Construction honored by ABC NH/VT

November 04, 2010 - Front Section

At a ceremony in the Capitol Center for the Arts, Meridian Construction was honored at the NH/VT Chapter of ABC's 11th Annual Excellence in Construction Awards Ceremony. The reception highlighted the professionalism and importance of the construction industry, by recognizing the accomplishments of some of the best in its field.

Meridian received 2 Merit awards for their work on the NH State Library and the Gorham Middle/High School and Ed Fenn renovations. Both projects involved tight schedules, unexpected challenges, and a high degree of teamwork, all characteristics that exemplify the outstanding quality of many of New Hampshire's construction companies.

In addition to receiving the awards, all winners were given membership into ABC's Excellence Club, a distinction reserved for those who truly promote the industry through their hard work and dedication.
