Jewett completes Kia of Keene improvements

November 04, 2010 - Front Section

Jewett Construction Co., Inc. has completed improvements at Kia of Keene, a repeat customer, located at 119 Monadnock Hwy. Jewett Metal Buildings and Steel Erectors cut the existing siding and wall girts and fabricated the frame, prior to installation of the new door. Proper coordination was critical in order to avoid disruption of the client's daily operations. Jewett Const. performed the renovation and addition to this facility in 2006.
