Martineau Electric provides services to 3 projects honored by ABC NH/VT Chapter

November 18, 2010 - Construction Design & Engineering

Martineau Electric was involved in three construction projects that have garnered awards from the Associated Builders and Contractors NH/VT Chapter.

ABC's Awards of Excellence Program has become the premiere competition within the construction industry that recognizes outstanding construction projects across the nation, according to the ABC.

"We're incredibly honored to be recognized for our work," said Ray Martineau, president of Martineau Electric. "These projects showcase what can happen when skilled companies combine their talents to produce exceptional projects."

The projects include:

The Wentworth Douglass Hospital - Central Utility Plant - Dover, N.H.

- * 5 megawatts of utility power
- * Installation of new 15KV switchgear and associated distribution
- * 2.5 megawatts of emergency backup generators
- * Paralleling switchgear for all emergency systems
- * Redundancy for all major systems
- * 3-1.5 megawatt distribution substations
- * Replacement of emergency, critical and equipment transfer switches
- * Re-feed of existing switchboards and downstream critical and life-safety systems
- * All projects completed without interruption and zero safety issues
- * Complete customer satisfaction

Weston Solutions, Inc. - The Greenland Building and Horseshoe Pond - Concord, N.H.

- * 21,000 s/f LEED gold building
- * 1200 amp 3 phase service
- * Geothermo well and pump system
- * Daylight harvesting lighting system
- * High efficiency lighting and occupancy sensors
- * Dark sky compliant exterior lighting
- * Custom made vestibule lighting
- * Future tenant provisions

Centrix Bank and 5th St. Apartments - Dover, N.H.

- * 11,000 s/f commercial/residential mixed use building
- * Design/build project
- * Infrastructure for ground floor office use
- * 8 residential units
- * 600 amp service with individual tenant metering

- * High efficiency Energy Star interior lighting
- * Parking lot and building accent lighting
- * 8 apartment fit ups

"The ABC Awards are a prestigious honor in our industry," said Martineau. "It shows the commitment we bring to each and every one of our clients. We strive to complete projects in the most professional way possible."

Martineau Electric is a full service commercial and industrial electrical contracting firm servicing the northeast U.S. Their reputation for completing fast-track electrical projects, on time, and within budget speaks for itself. Their list of high profile commercial and industrial projects continues to grow. Clientele insist on quality work, and a testimony to our reputation and success is a tremendous amount of our business, 90%, comes from repeat client business.
