Integrated Builders completes tenant fit-up for Philips Lifeline

November 18, 2010 - Construction Design & Engineering

Integrated Builders completed an additional 2,000 s/f tenant fit-up for Philips Lifeline's offices at One Clarks Hill.

In 2008, Integrated Builders had completed a 25,000 s/f tenant fit-up for Philips Lifeline's offices at the same location that included the expansion of the company's existing Call Center located on the second floor. The expansion incorporated glass walls, sprinklers, an HVAC system and electrical and telephone/data modifications. A new corporate office space was also created to address company expansion.

Integrated Bldrs. worked in collaboration with architectural design firm DiMella Shaffer.
