Trumbull-Nelson begins Bow water pump and waste water projects

December 01, 2010 - Northern New England

Trumbull-Nelson Construction Company has begun work on the River Rd. water pump station and on the Hall St. waste water station.

Anticipated completion for both projects is July 2011.

Trumbull-Nelson recently completed work on a \$6.1 million Quechee Waste Water Treatment facility for the town of Hartford, VT.
