TRB Development begins two projects for FedEx including a 45,968 s/f ground sorting facility

December 09, 2010 - Front Section

TRB Development Group, Inc. general contractor and design builder is beginning two projects for FedEx.

The first is a new, 45,968 s/f ground sorting facility with 22 truck bays in West Lebanon. The second is an 18,430 s/f, 16-door expansion of an existing 11,252 s/f FedEx Freight facility in Belmont.

The architect for the Lebanon project is Amoskeag Architectural Group, LLC, of Manchester, and the architect for the Belmont expansion is Bill Thomas Design from Stanley, Ks.
