New England SIORs handle 524,000 s/f during the fall of 2010

December 09, 2010 - Spotlights

The New England SIOR Chapter members during the fall of 2010 completed a number of major advisory and transactional assignments. Corporate America and regional tenants indicated that the SIORs are the "premier" brokers in the commercial/industrial New England real estate markets whom they entrust for expert knowledge and skills. The fall 2010 deals totaled approximately 523,814 s/f of commercial real estate valued at approximately \$23,763,725. Congratulations to all the New England SIOR members in these recessionary times!
