January 02, 2008 - Front Section

To stay current with all the deals, events, people and dynamics that shape the commercial real estate industry we invite you to read all the latest commercial real estate headlines, articles and events, sorted by category and region and updated daily.

Categories include Commercial, Construction, Financial and Retail commercial real estate news. Regions covered are New England, N.Y., N. J. and Penn. We also feature an extensive archive with thousands of commercial real estate headlines and stories.

The majority of our news headlines and stories come from the New England and N.Y. Real Estate Journals, the largest commercial newspapers in the country. Founded over four decades ago, both are trustworthy sources of information and resources pertaining to the commercial real estate industry.

We have added the capability to email news stories. You can now email news stories of interest to your clients, colleagues and friends directly from our news pages with ease. Just click on the "email this story" button, enter the "to:" and "from:" email addresses and click the "send" button. This is a great tool for networking and creating opportunities, and a great way to let people know that you are aware of the goings on of the industry and in the know.
